

*Saturday 4th July 2009 - 10.00 to 17.00*

A one-day  
practical  
workshop  
aimed at DIY  
enthusiasts,  
community  
organisations  
and small  
scale  
builders

## *Small Scale Green Roof Workshop*

*Learn about green roofs and their benefits, build a section of green roof to take home with you, acquire the practical skills to turn your shed or garage into a wildlife haven!*

*The workshop will be taught by leading green roofs experts  
**Dusty Gedge**  
and **John Little**.*

*Hilldrop, Laindon Road,  
Horndon on the Hill,  
Essex. SS17 8QB*

*In the home gardens of John Little from the Grass  
Roof Company and includes a tour of a selection  
of green roofs in the area.*

*Dusty is responsible for establishing [Livin-groofs.org](http://Livin-groofs.org), the first not for profit company to provide independent advice on green roofs in the UK. He has designed a number of green roofs including Laban Dance Centre, Barclays Tower, Canary Wharf and the Komodo Dragon House at London Zoo.*

*John is the founder of The Grassroof Company and has designed and built over 20 green roofs in Essex alone.*

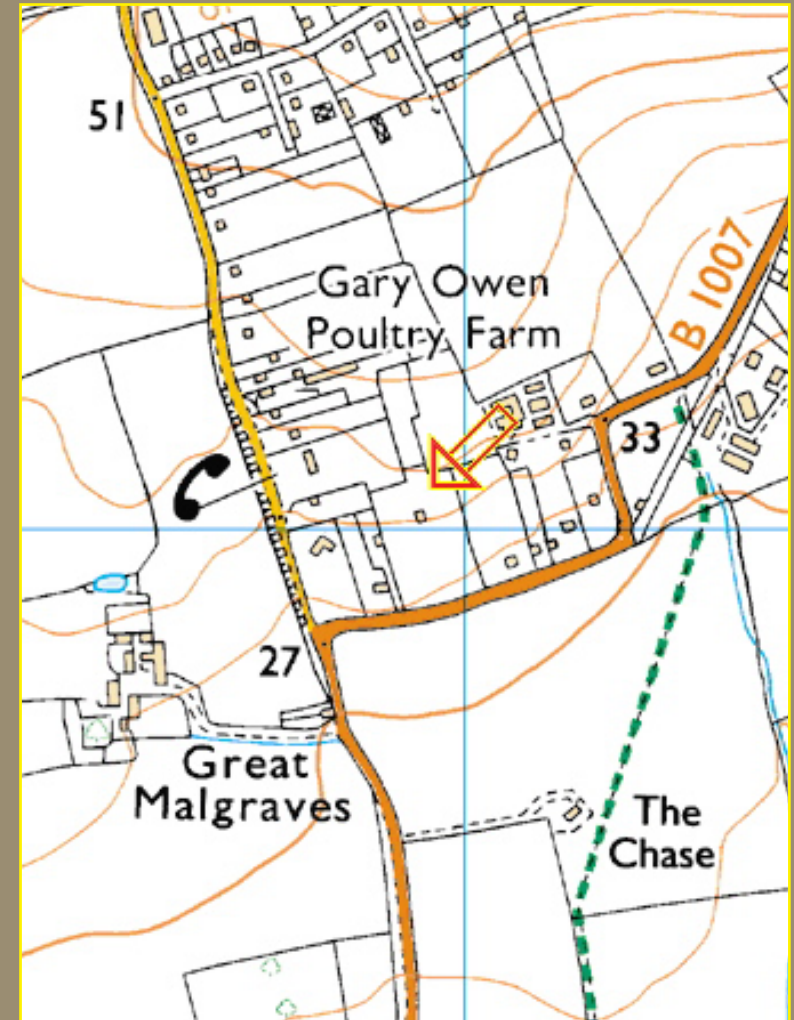

*Included in the price are tuition fees, cost of a mini green roof to take home at the end of the day, a digital DIY green roof guide, lunch and refreshments.*

**Price : £90**
